

Aloha Friend of the Hawaiian Islands Humpback Whale National Marine Sanctuary:

We are in the process of filling vacant seats on our sanctuary advisory council. Beginning immediately, we will accept applications for council membership.

The Hawaiian Islands Humpback Whale National Marine Sanctuary Advisory Council was established pursuant to Federal law to ensure continued public participation in the management of the sanctuary. The Sanctuary Advisory Council (SAC) was established in March 1996 and has a broad representation consisting of 36 primary members. The council represents the coordination link between the sanctuary, the state and federal management agencies, Native Hawaiians, researchers, educators, policy makers, and other various groups that help to focus efforts and attention on humpback whales and their habitat.

Enclosed is our sanctuary advisory council application kit. Council terms will be for three years. Please note that if you have been a federally registered lobbyist in the two year period before your potential appointment date to the council, you will not be eligible to serve as a member of a sanctuary advisory council.

We are looking forward to receiving completed applications emailed to Sara Wood at sara.wood@noaa.gov by September 1, 2023. Applications will be reviewed by a preliminary review panel consisting of the SAC selection subcommittee. The panel will help us narrow down the number of candidates for each seat to the top three. Of these, a member and an alternate will be chosen, and officially notified of their selection.

If at any point you have a change in circumstance that will not allow you to serve on the council, please notify Sara Wood at sara.wood@noaa.gov. Also, feel free to contact Sara if you have any questions about the sanctuary, the council or the council member selection process.

Sincerely,

Kim S Hum

Before applying for sanctuary advisory council membership, please review:

1. [Sanctuary advisory council charter](https://hawaiihumpbackwhale.noaa.gov/management/advisory/) available online at <https://hawaiihumpbackwhale.noaa.gov/management/advisory/>;
2. Office of National Marine Sanctuaries (ONMS) *National Marine Sanctuary Advisory Council Implementation Handbook* available online at <http://www.sanctuaries.noaa.gov/management/ac/acref.html> (or you may obtain a copy from your local sanctuary).
3. Importance of Diversity Statement:
“Whether within a natural ecosystem or a human community, diversity creates strength and resilience. NOAA’s Office of National Marine Sanctuaries values the remarkable diversity of knowledge, perspectives, and experience found throughout sanctuary communities, and invites a wide range of individuals to seek membership on our sanctuary advisory councils. With a diverse membership, advisory councils can broaden access to understanding and participation in marine conservation and governance, foster innovation and creative problem solving, and can help advance the mission of the National Marine Sanctuary System.”

Sanctuary advisory councils advise and make recommendations to the Office of National Marine Sanctuaries on issues regarding the designation and management of national marine sanctuaries. The charter outlines the purposes and governs the operation of the sanctuary advisory council. The handbook provides broader operational requirements for sanctuary advisory councils. In applying for sanctuary advisory council membership, you are agreeing to abide by the terms of the charter and the handbook if you are selected as a youth council member or alternate. Also, please note that youth seats are intended to engage high school students and, therefore, term limits for youth seats may be further limited once a youth reaches his or her 18th birthday or graduates high school.

Applicants considered for selection, please note that the Office of National Marine Sanctuaries will conduct a LEXIS/NEXIS check and a departmental bureau check for potential conflict of interest and other issues in your background.

Additional information and guidance regarding the use of the information you submit on this form and its availability under federal law can be found at the end of this form.
